CAUTION - EXTERNAL:

Good morning,

After doing my very best to attend in person I am now aware that I can only prosecute this case today via phone and very limited internet access to Teams. I will call Chambers when the Court opens.

I do hope Your Honor sincerely reconsiders sanctioning and disenfranchising Gravely disabled, *pro se*, paupers held to unlawful mental states and taking action for the Public good of meaningful access to the Courts. As I mentioned, you can not squeeze organic Turnip juice from a Blood gangster. Please speak to Vilsack and Cardona.

Sincerely, with the best regards and respect,
Juan Chavez
